

Improving Practice: Working within Child Protection (Section 47)

Event Aim: This brand new learning event will support practitioners who work within Child Protection (S.47) to understand the **underpinning principles and processes** that guide this work, it will inform your own role, and that of others to develop and strengthen multi-agency practice.

Audience: This multi-agency event is open to Frontline practitioners involved in child protection/ Section 47 for children/ young people in Bedfordshire. Before attending, you should review Chapter 3, Section 2 of [Working Together 2023](#).

The session will explore:

- The underpinning principles and expectations of all practitioners working within S47
- The purpose and function of the practices and processes utilised within S47
- The roles and responsibilities of all practitioners involved with supporting children through S47
- Ensuring all work with children and families is in line with best practice guidance

Dates:

- Fri 7th November (Priory House, Shefford)
